

Prospects Good For Opening Of Hunting Season

Many New Laws Effective
With Season Opening
on Saturday

The vanguard of hundreds of hunters expected to invade the lucrative hills when the deer season opens Saturday arrived this week from all directions, indicating a bigger throng than ever before.

Reports favor the hunters. The deer are said to be in larger numbers and in better shape than during previous seasons and are in the lower elevations. Hunters are reminded of the strict laws governing the killing of deer and are asked to use extreme caution in the handling of camp fires and other inflammables as the brush and forests are dry and a careless hunter may cause a disastrous conflagration.

Closed Land

J. E. Joerger, local stock man, again this week is serving notice that his large holdings south of the Truckee River near here will be closed to all hunting until October 19. The land is posted and Joerger said he plans prosecution of violators. Last season a number of hunters violated the trespass law, Joerger said, but he did not take legal action.

The rancher pointed out that none of his family, friends or employees will be permitted to hunt on the area and he feels that this is being fair to everyone. He said that in past years he has lost cattle and during one season alone five steers were slaughtered by hunters. He also is attempting to avoid range fires.

New Laws

Many important new laws affecting California hunters will go into effect September 22 as a result of recent legislative action, warns the division of fish and game.

Some of the new ruling being added to the state's fish and game code make it unlawful to:

Hunt with firearms or bow and arrow when intoxicated;

Carry a loaded rifle or shotgun in any vehicle traveling, or even standing, on any highway or public way;

Fire a weapon within 150 yards of any occupied house, barn or other building without express permission of the structure's owner or resident keeper;

Kill or wound any human while hunting;

Abandon or fail to give aid to any person accidentally killed or injured in a hunting accident;

Spotlight any game animal while carrying a firearm or weapon;

Damage or participate in damaging private property, including leaving gates open or bars down or causing a real or potential danger to livestock.

By proclamation of the governor, any area may be closed to hunting or fishing because of potential fire hazard, as determined by the state forester.

Sixth Grandchild Arrives For A. L. Davidsons

Mr. and Mrs. A. L. Davidson welcomed their sixth grandchild on Admission Day, September 9. The little girl is the second daughter of Mr. and Mrs. Harold Davidson of Roseville and former Truckee residents. The child weighed six pounds two ounces upon arrival and has been named Deborah Lynn.

Minister Tells Rotary Of Canadian Visit

Rev. A. A. Carmichael spoke on his recent stay in Penticton, British Columbia, before the Truckee Rotary Club Monday night when they met at Donner Lake Lodge. President William Curran presided and there were seven visiting Rotarians.

Next week's meeting will be held Tuesday at Homewood Resort in conjunction with the Rotary Clubs of South Tahoe, Tahoe City and Brockway. The program will be presented by Arthur Leitch, manager for the Pacific Telephone Company, and will be concerned with the firm's microwave projects. On October 1, District Governor Frank Judy of Sacramento will visit the Truckee club.

Kathryn Barrett is Six, Has Dinner Party

A yellow surprise package centered the table of the dinner party in honor of Kathryn Ann Barrett, daughter of Mr. and Mrs. Doug Barrett, on her 6th birthday on September 13. After a picnic supper, games were enjoyed following the serving of birthday cake and dessert. Those attending were Nona Rae Coffey, Karen Smart, Patricia Scott, Diana and Robert Kaspian, Terry Walker, Barry and Marcia Leamon, Sheila, Phyllis and Patricia Barrett.

Freedom Crusade Is Opened Under 20-30 Auspices

Charles Strohm, county Crusade for Freedom chairman, of Grass Valley Tuesday announced the appointment of Jack Ellis as chairman for the Truckee area for the drive.

Ellis, who is president of the Truckee 20-30 Club, accepted, declaring the Crusade represents "a practical means for the American people to express their abhorrence of communistic deceit and ambition for world domination."

Beside contributing to the operation of two powerful radio stations in Germany, now aiming counter-propaganda at the iron curtain in Europe, Crusade funds will be devoted to development of similar anti-red programs in Asia.

According to Ellis, tables will be put in the Truckee branch, Bank of America, and in the local post office where persons may sign the Freedom Scrolls, pledging "to resist communism and its tyranny—both at home and abroad—with weapons of truth." Coin cans will also be placed at the tables for contributions. Ladies of the Wyethia Club will assist at these stands.

"As Americans," said Ellis, "we have to get mad—fighting mad—and get together to fight communism. Bullets are not enough—the battle is for men's minds as well as for their bodies. This is a struggle we cannot afford to lose, or we may lose everything."

The Crusade for Freedom offers each of us the chance to contribute ammunition for an international assault on the falsehoods of communism and victory for individual and national liberties.

In addition to the tables at the bank and post office, Ellis stated that 20-30 members will make personal calls on every Truckee business house to obtain signatures and contributions.

Climaxing the Crusade in Truckee will be a visit by the Freedom Motorcade at 4 p.m. on September 28. The motorcade consists of a truck with a display showing the operation of Radio Free Europe and Radio Free Asia which are broadcasting continuously into the satellite countries, as well as the Winds of Freedom campaign to release pamphlet laden balloons to the people behind the iron curtain.

Thimble Club Outlines Busy Activity Program

The Thimble Club met Tuesday evening at the home of Alice Mayer with Pearl Heller as co-hostess.

An enjoyable social hour was spent followed by refreshments, after the short business meeting.

Plans were made for a food sale and needlework sale to be held Tuesday, September 25, at Truckee Mercantile, starting at 9 a.m. Mrs. Mayer and Mrs. Sylvia Beck will be in charge.

A pot-luck supper will be served by the members on October 2 to terminate the club's activities for this year. Proceeds are to be divided between the local churches and any help for this worthy project will be appreciated.

Frank Wilsons Visit On Son's Birthday

Mr. and Mrs. Frank Wilson of Nevada City were here Tuesday to help observe the birthday of their son, Justice of the Peace Fosten Wilson, which occurred that day. The visitors enjoyed renewing old acquaintances as they lived for many years in this and the Hobart Mills area, where Wilson was a veteran employee of the Oliver family which operated the mills.

34 Friends at Party On Lad's Birthday

Ronald Borden, son of Mr. and Mrs. Frank Borden, observed his 8th birthday with a large party for 34 friends at his Meadow Lake Park home September 19. Games were enjoyed by the group, followed by the cutting of a large decorated cake and the serving of ice cream cup cakes and punch.

Observes Birthday—

Gail King, daughter of Mr. and Mrs. C. P. King, observed her second birthday on Monday.

Comstock Again Heads Booster Group At Tahoe

Tahoe-Sierra Association Is
Urged to Secure More
Conventions

BROCKWAY—President Harry Comstock called the meeting of the Lake Tahoe-Sierra Association to order at 12:30 p.m. yesterday at the Brockway Hotel. The hotel management hosted a cocktail party prior to luncheon.

William Becholdt, chairman of the nominating committee, announced the following new members on the board of directors: Harvey Gross of South Tahoe, C. Johnson of Bijou, Kjell Rustad and Alex Cushing of Squaw Valley. Comstock was persuaded to accept another term as president, with the formation of new committees to relieve him of some of his duties.

George Kehlet of Meeks Bay gave a resume of the season's extensive advertising program which was highly successful. It was proposed that 50,000 new folders be ordered and if any member wishes any change in his advertisement they are asked to call Secretary Ruth Droste of Tahoe City immediately.

Don Huff of Homewood introduced Ray Kronmeyer, president of the Nevada Visitors' Bureau of Reno, who was the speaker. He stressed closer relations between Nevada and Tahoe, urging a progressive cooperative promotion program by all. Also suggested in his remarks was that conventions be encouraged in this area. He declared the average convention delegate spends nearly three times as much as the average tourist. In closing, he urged all resort members to send their folders to his office in Reno as there is also a branch office in San Francisco.

HELGESEN LOW NET AT GOLF MATCHES

TAHOE CITY—Low net score in the Truckee Lions Club golf tournament last Sunday on the Tahoe City course was held by Ray Helgeson of Hobart Mills, with 54. Frank Titus was second, Robert Gifford third, Harold Langille was fourth and Earl Stice and Reg Smart tied for fifth. Elden Tonini of Truckee took low gross honors with 72. Bill Becholdt was second, Carl Becholdt Jr. third, Frank Gaennie fourth and Rufus Gregory fifth.

Bill Becholdt of Tahoe City won the hole-in-one contest, placing his ball 40 1/4 inches from the cup. Second place winner was Bill Fowler of San Francisco with 5 1/2 feet and Angelo Besio, Truckee, was third with 6 1/4 feet.

Frank Gaennie of Truckee was the only man to make an actual hole-in-one during the day. His ace occurred on the second hole, following a drive of 185 yards. This was his second one stroker this season on this course.

After the matches, a lamb barbecue was served members and guests.

At last night's meeting of the club, Seibold presided and guests were Ben Tonini of Morro Bay and Bob Tonini of Truckee.

Truckee Driver Freed By Superior Judge

NEVADA CITY—Judge James Snell of the superior court freed Wiley H. Ledbetter, Truckee sawmill worker, of charges of drunk and hit and run driving and aggravated assault in connection with an incident near Truckee August 14th.

Judge Snell held that testimony at the preliminary hearing failed to show Ledbetter was guilty.

At the preliminary Raymond Matson of San Diego said a speeding tan car overtook his motorcycle and in the next few minutes he found himself injured in a ditch. There was no direct testimony, however, that Ledbetter's vehicle struck Matson.

Sons Arrive—

Reports from Reno are that a son was born September 1 to Mr. and Mrs. Alton Kyle of Truckee and a son also for Mr. and Mrs. Claude Walker September 7.

Sun Beams by Walter M. Jarrett

With deer hunting season opening in this district Saturday and the crack of firearms to be heard in the woods, many outlanders are taking off on their weekend for a shot at the elusive buck. Unfortunately, all too many of them will end up by accidentally shooting themselves or other hunters. You can make your first step in the right direction of hunting safely by knowing and heeding the regulations that govern the use of firearms in hunting.

Your second step will be to see that you never leave a loaded gun lying around your house, attempt to take one with you in your automobile or leave one lying around your camp. In fact, the wise hunter will see to it that a gun is never left unattended without first being unloaded.

When you have set out from camp and are hot in pursuit of the game you may carry a loaded gun but you must carry it with caution. Don't just sling it around your person in any old fashion, but always carry it so that you can easily control the direction of the muzzle, if you should happen to stumble or fall.

Things can go wrong, too, in the very act of shooting. There's always the eager hunter who will point his gun at anything, whether he's going to shoot it or not, just for practice. And then the gun goes off. There's the hunter who goes ahead and shoots at hard surfaces or at the surface of water, just because he doesn't know any better. And then again there's the hunter who pulls that trigger before he's sure of his target.

It almost goes without saying that the wise hunter will never mix alcohol with his shooting and will always treat every gun as if it were loaded. And above all, be careful with fires.

VFW TO ORGANIZE POST IN TRUCKEE, MEETING OCT. 15

A Veterans of Foreign Wars post will be organized in Truckee, with the initial meeting slated for 8 p.m. October 15 at Veterans Memorial Building here. Alva J. Fleming, department chief of staff, was in town this week and announces that he has signed up sufficient members to insure a charter.

The first meeting will be for the purpose of nominating and electing officers, naming the post and arranging for its institution. Fleming will be in charge of the organizational sessions.

VFW membership is open to foreign service veterans of the Spanish-American war, the Philippine insurrection, the Boxer rebellion, World War 1 and 2, the Korean conflict and all other similar campaigns and expeditions. All such veterans will be welcome at the October 15 meeting, Fleming declared.

FORGERY SUSPECTS CAUGHT BY DEPUTY

Eldora G. Hartle, 20, mother of two children and expecting her third within two months, and Ray Casteel, alias Joseph Hartle, 26, were arrested here last Thursday on felony counts issued in Payette, Idaho, charging forgery and fictitious checks, and are held in the county jail at Nevada City.

The two were arrested by Deputy Sheriff Wes Fair in a roadside camp in Euer Valley after a bad check had been issued at Reno in payment for a used car and another \$20 check had been given a local merchant.

Casteel informed Fair his name was Hartle and that he was the husband of the woman involved. The officer later was advised that Hartle is in the service and that Casteel took his name. It was also reported by the officers that Casteel has a criminal record and is a parole violator.

Fair said he had been advised that the couple are wanted in Idaho, Oregon and Nevada as well as in California.

Mr. and Mrs. John Finnegan and two children are due to arrive from Colusa the first part of October, the former will be employed by the Bank of America here.

Pollution Group To Discuss Yuba Water At Meet

Summit Area Water Way
Treatment Called For
In Resolution

H. G. Loehr of Truckee, chairman of the Nevada County board of supervisors, has received from Colonel Joseph S. Gorlinski, executive officer of the Regional Water Pollution Board of California at Sacramento, a copy of a resolution which he intends to present to his board for adoption.

The resolution is designed to govern conditions maintained on the South Fork Yuba River from its source to Lake Spaulding dam. The resolution points out that the waters of the river are used in a highly developed year around recreational area for domestic purposes by numerous hotels, camps and cabins.

It is further pointed out that it is not feasible to maintain waters of the river as a consistently safe source of domestic supply for direct use without adequate prior treatment because of the use of the waters by the general public for swimming and allied recreational activities. It is also the opinion of the board, Colonel Gorlinski wrote, that all sewage and waste discharges should be excluded from the waters if their quality is to be maintained.

The resolution concludes that "The waters shall be maintained bacteriologically safe for the use made of them and that the dissolved oxygen content of the waters shall not be depressed by any waste discharges to a value which shall be less than 95 per cent saturation at the altitude and temperature of the receiving water."

The water shall be maintained free from visible grease and solids of recognizable sewage and waste origin and sludge deposits and shall not be discolored and shall be kept free from any toxic substances, the resolution says.

HIGH SCHOOL MUST OPEN HERE MONDAY

Through necessity, classes at the Tahoe-Truckee Unified High School will start next Monday. E. V. O'Rourke, district superintendent, said that the building is not in condition for the opening but that the three weeks' delay already incurred will mean that the Christmas and Easter holiday periods must be shortened.

The law requires that there shall be 170 days of school and it is the desire of the local board that there be 175 days here.

Work is continuing on the building and will continue after classes are started as only the essential portions have been ready for the opening of classes in the academic portion of the structure and in the cafeteria.

All other schools in the district opened September 4.

Recovery of Sutton Car Is Expected in Bay City

It is more than a possibility that Roland Sutton's Cadillac convertible is abandoned on a street some where in San Francisco, according to a teletype received yesterday by the California Highway Patrol here.

The message from Santa Barbara reports two men, Norman R. Grass and Harold Parker, are in custody there and according to the highway patrol have admitted taking a 1941 Buick in Reno which they abandoned near Truckee where they took possession of a light colored Cadillac. The vehicle believed to be the property of Sutton was left in San Francisco where the two are alleged to have stolen another Cadillac belonging to Assemblyman Richard Dolwig.

The latter vehicle was wrecked near Santa Barbara resulting in the arrest and alleged confessions of the suspects, the local officers were advised.

Wm. Rutherford Resigns Post As School Trustee

Opinion Differences With
Administration Policy
Are Cited

The resignation of William Rutherford of Soda Springs as a member of the Tahoe-Truckee Unified School District board was accepted by the board at Monday night's meeting. No successor was named.

In a letter to the board, Rutherford indicated he was not at all satisfied with the administration of the board and executives of the district. He had served with the board since its organization and was the first secretary. Rutherford was active in the district's formation and being an experienced school executive for many years, his views and opinions were valuable to the district. He was re-elected by a large majority last year at the polls.

Chief Employed

Other matters taken up at Monday's meeting included the employment of Mrs. Emily Bergmans as chef at the new high school cafeteria. Mrs. Bergmans for the past three years has been chef at schools in Los Altos and during the summers was in charge of the kitchen at the Riola Club at Kings Beach. She has two children, a boy and a girl, 12 year old twins, and the family is residing in one of the houses near the school plant.

The employment of J. R. Stuart as custodian and engineer at the high school was verified by the board and Michael O'Rourke, son of superintendent E. V. O'Rourke, was employed as a bus driver, currently on the Hobart Mills route. Fosten Wilson was approved as a relief driver.

Playground Work

O'Rourke reported on progress of various projects in the district, including the playgrounds at Truckee elementary school which has been graded by Ernie Dugan and now awaits the installation of pipes by the Truckee Public Utility District before surfacing is completed.

The board approved a plan whereby they will meet each month in turn with administrators and faculty members, each group taking its turn during a 45-minute discussion period at regular board meetings.

Members at the meeting were Walter A. Loynd, president; Stanley Martin and Thomas Lucas.

LEGION POST BACKS FREEDOM CRUSADE, WILL HOLD DANCE

The first Truckee signatures were affixed to the 1951 Crusade for Freedom scrolls at Tuesday night's meeting of Post 439, American Legion. The post also voted a donation to the crusade which is carrying the fight against communism behind the iron curtain with Radio Free Europe and Radio Free Asia.

Commander John Rau also announced that the Legion will sponsor a low-cost public Armistice Day dance in the Veterans Hall on Saturday, November 10. A new idea in dances will be tried out and if successful will be used frequently. On the committee with Rau are Frank Giovannoni, E. A. Parker, E. K. Stice, Bill Curran and Hes Cardinal.

Other business included a donation to the Salvation Army and discussion of Boy Scouts, a baseball program to be sponsored next year by the post, youth activities here and cooperative programs with the 20-30 Club and other groups in the area.

Alva Fleming, Sacramento Legionnaire, was a guest at the meeting.

Everett Price Observes Birthdate on Tuesday

Everett Price, son of Mr. and Mrs. H. B. Price, observed his 6th birthday with a group of his friends here Tuesday, September 18. Those attending were Jessie Rablin, Stanley Rasmussen, Buzz and Kip Drewry and the honoree's brother and sister, Ronald and Janice.

Three Injured

Three people were hurt, none seriously, when cars driven by Arthur L. Steele, 35, Colfax, and George M. Allen, 26, Sacramento, collided a mile east of Rainbow Friday afternoon. Failure of the steering apparatus on the Steele car is blamed by State Patrolman Roy Stallard for the accident.

Mrs. Katherine Allen, 27, and Charles Kenneth Allen, 2, and Allen, the driver, suffered minor injuries, the patrol reported.

SUMMIT SCENE

by B. BATTERTON

The old red barn on the Prom property, back of Soda Springs Hotel and adjacent to the Snowflake is destined for a new career. Milton Hogle reports that by snow fall it will be known to winter visitors as the Ski Barn. Renovation, now going on, will also provide an office for the Soda Springs Ski Corporation.

Another improvement there will be an intermediate loading ramp for the double chair lift. This project was started this week. While all this is going on, the Snowflake has been enlarged by a 10 by 50 foot area and it gleams with new paint inside and out. On the hill nearby, Earl Beckwith is skinning his cat on the ski run in a smoothing out project which will guarantee skiing on just a foot and a half of snow. Milt Hogle said so.

Improved lumber prices have stimulated early fall cutting and milling operations. Stout & Grimshaw, Auburn operators, and the Watkins Lumber Co. of Reno are planning to continue on a full-time basis for about six weeks longer, depending on the weather. The Christmas tree operators are making their plans for a big sales season. A lot of the cutting will be done in the Ice Lakes area.

Charles Van Evert of Norden and San Francisco, ski tow operator and instructor, is up this week rebuilding the tow house on Soda Springs Hill which was struck by lightning and burned to the ground last month. Mrs. Van Evert, who designed nursery togs this past year instead of the smart ski wear for which she is famous, is in San Francisco with their little daughter who arrived a few weeks ago.

Soda Springs Hotel's extensive remodeling project, which began early last spring, is about due to be completed. Redecorating the third floor dormitory will be finished by the end of this month. With the second floor bedrooms, which were ready for occupancy on Labor Day, the hotel will be ready to accommodate 155 guests this winter.

Mrs. Harry Stout, who, with her husband, makes her summer home at Donner Summit Lodge, is off this week for a two-weeks vacation by motor to Holton, Mich. She is accompanied by her daughter, Linda, and her mother, Mrs. T. W. Ruen of Auburn. While Mrs. Stout is away, Mrs. Claude Harrison, her partner at Donner Florists in Truckee, is managing the business single handed.

Mr. and Mrs. Ernest Nordstrum, operators of Ski Hi, moved Saturday into the home of Oscar Beach, next door to the Soda Springs post office. Beach, who is with the

state highway department, will make his home at the state highway camp at Yuba Gap. It will soon be moving day for Mr. and Mrs. George Zorich, who will take over the home of Mr. and Mrs. Stanley Walton within the next two weeks. The latter will be moving to Davis.

Western Union's improved new carrier circuits installed over the summit since the end of World War II, have obsoleted the multiple telegraph lines along the Southern Pacific right of way. Two of the new lines will carry up to 200 simultaneous messages without a conflict. That is why Joe Britten of the San Francisco office moved in this week with a crew of seven to remove the old lines between Reno and Sacramento. For the summit part of the project they are domiciling at Donner Summit Lodge where they expect to be for two weeks or longer.

Summit resorts have their welcome mats out for deer hunters who will arrive for the opening day of the season, September 22. Lonnie and Rose Goss of Soda Springs have their saddle string groomed into top condition for the pack trips that will be made into the back country by those who scorn to do their hunting near main-travelled trails.

One party always anticipated each fall is the annual dinner of the Nevada County assessor and his staff. The date this year was last Saturday night and the locale was Donner Summit Lodge. Assessor William Tamblin and his wife shared the honors with former assessor Phil G. Scadden, whose daughter, Mrs. W. H. Moore, accompanied him. Mrs. Elva Cox, chief deputy assessor, was there and the following, all of Nevada City, completed a cocktail party in the Fireside Room, followed by steak dinners: Mr. and Mrs. Leslie Cicogni, Mr. and Mrs. Olaf Bjorstadahl, Mr. and Mrs. Robert Piercy Mr. and Mrs. Vern Gullickson and Miss Sue Jefford.

Tahoe School Pupils Receive Shots

TAHOE CITY—Twenty-five pupils of Tahoe Lake School received shots for diphtheria, whooping cough and tetanus on Monday. Dr. Saul Ruby, county health officer, accompanied by county nurses administered the shots. Those who have already received the shots will require only a booster while those receiving them for the first time will require a series of three.

HOME FROM WYOMING

Miss Kathleen Starratt has returned to Tahoe City for the winter, after a successful summer at her guest ranch near Jackson Hole, Wyoming. This was her second successful year of operation.

Kin of Lake Man Dies In 'Plane Crash

TAHOE CITY—Hugh C. Worthington, 47, brother in law of Stanley Bolton, was one of three killed in the crash of a stratoliner near San Mateo September 12. The deceased was flight engineer and senior captain of executive personnel. His home was near the crash scene in San Mateo.

Worthington was a pilot with United Airlines for over 20 years and was considered a seasoned and dependable flyer, having flown all over the world for the line.

He is survived by his wife and daughter, Patricia, 12. Sadly ironic was the coincidence that Mrs. Worthington's birthdate occurred on the day of the fatal accident.

Tahoe Lake PTA Meets Next Thursday

TAHOE CITY—Mrs. Max Porter urges all parents and others interested to attend the next PTA meeting at Tahoe Lake School on Thursday, September 27 at 2 p.m. Mrs. Mary Stark, vice president, will preside but it is planned to elect a new president to succeed Mrs. June Grinstead of Lake Forest who resigned when the family rented their lake home and moved to Santa Rosa.

To Santa Barbara—

Mr. and Mrs. D. H. Chambers are closing their Chambers' Lodge at Lake Tahoe and returning to Hotel Samarkand in Santa Barbara.

San Francisco Airport handles an average of two million pounds of air freight each month.

by THELMA BURROUGHS

By a huge sign seen on the front steps of The Beachcombers today, the Max Liepertz have gone to Cal-Vada Lodge for the winter where they will be employed cooking and serving food.

Mary Boyce is entering University of California at Berkeley this fall.

Peggy Jones is stopping at North Shore Cottages while visiting around the old home territory.

Mrs. Beverly Haslett is spending a week at her lakeshore home in Tahoe Vista.

Ludlow is the contractor doing the work at Edgelake. Understand there will be 11 or 12 new units there before next season.

Bob Mercer left on Monday from Reno to enter Uncle Sam's service. Bob has no idea at present where he will be sent for training.

One of the big events of the year for the local Woman's Society of Christian Service is the district house party, all set up and ready to go at Kings Beach October 1 and 2 this year.

Don't forget the El-Ta-Ho Shrine Club's benefit show at Brockway theater next Thursday night, September 27. Admission is by donation only and the net proceeds will go to the Shriners Hospital for Crippled Children. The first of two shows starts at 7 p.m.

Guests at The Burroughs are Mr. and Mrs. R. J. McKinney of Whittier. I do believe that Lake Tahoe will eventually be their home. They like this country al-

My Place In the Sun

by DOUG BARRETT

Gertie Gilson tells me she got word from Bud and Jane Ott of the arrival of their No. 4 son.... back in their new home town of Wichita, Kansas.... The Ott tot arrived September 10, has been named Patrick Alan and really tipped the scales at a husky 8 pounds 5 ounces.... Bud, one-time Truckee business man, is working for an aircraft plant in the wheat state.... Howard Painter, Truckee's latest home on leave.... looking sharp and trim after his training stint.... Bill and Ruth Campbell celebrating their wedding anniversary Monday, Sept. 17.... They may be nothing new to you but I saw one for the first time this past week.... the Tahoe-Sierra AAUW's handy dandy little cook book, compiled by the ladies themselves, is worthy of commendable comment.... please consider it made.... With a new coat of silvery paint the roof of the Coca-Cola Bottling Co. warehouse on west Main St. looks much improved.... Truckee's 20-30 Club has changed its meeting night from Wednesday to Thursday.... at 8 o'clock in Donner Lake Lodge.... Scanning my date book, find several local lights with birthdates since last week.... on the 14th were Tony Pace and Eddythe Deaton, Dick Joseph on the 15th, Fosten Wilson on the 17th, Vern Shattuck on the 18th and the Man on Page One, Walt Barrett, is celebrating today by working to beat another deadline with the Sierra Sun.... Fosten's daddy, Frank, brought him a birthday bouquet from Nevada City.... a single giant sunflower blossom.... which reposes on the judge's desk.... Fos is saving it to knock the seeds out to munch on when things get dull in court.... Mrs. Elsie Barnes and daughters, Donna and Ginger, glad to be home most as much as the rest of us.

The Lake Tahoe-Sierra Association luncheon at Brockway Hotel was well attended yesterday and the usual procedure of announcing officers for the coming year was followed.

The Woman's Society of Christian Service met at a place in Tahoe Vista large enough to accommodate a group engaged in the art of sewing for a good cause Tuesday of this week. Pot-luck luncheon was served. The group will meet at Veren Villa Tuesday of next week.

Mrs. V. L. Mosier of Veren Villa tells me that she and her husband will be leaving about October 1 for a winter in milder climes.

Last report from San Francisco on the condition of Pauline Noel is that consciousness was regained last Sunday. Otherwise she remains about the same.

Mr. and Mrs. P. R. Murray recently enjoyed a short vacation at Grand Canyon and other points nearby. After seeing such awe inspiring sights, they report nothing in the passing parade surpassed the beauties of our own Lake Tahoe area.

The Henry Chandas have just returned from a sightseeing tour of three states too, but saw nothing like Tahoe.

Mr. and Mrs. Fred Vercoe have recently returned from a visit with relatives in southern California.

Worship Service Series Starting Sunday

TAHOE CITY—The Rev. Max Christiansen, rector of Nevada City's Trinity Church, will hold the first services of the season at Tahoe Community Center hall on Sunday, September 23, at 4:30 p.m. The services will be non-sectarian and the public is invited to attend.

after a month in Nebraska.... Nace Firpo rolling up his sleeves and personally washing the big windows at Cabona's store.... For the kind words and gentle compliments awarded with subscription renewals from Bill Wilkie in San Francisco and Mrs. Walt Bigelow in Leadville, Colorado, my most sincere thanks.... Leave you with a thought in closing.... a good idea and a baby crying in church have something in common.... neither should be carried out at once.

District Governor Discusses European Travels

HOMEWOOD—The regular luncheon meeting of the Tahoe City Rotary Club was held Tuesday at Homewood Resort. President Don Snyder presided, with 35 on hand, 12 of whom were Rotary Anns and 10 visiting Rotarians.

Following the luncheon, the guest speaker, District Governor Frank E. Judy, and his wife were introduced. Judy talked on his recent travels in Europe. He told of visits to various countries—England, France, Switzerland, Ger-

many and Russia—and of visits to the Rotary Clubs he attended in these countries. He stressed the importance of international relationships.

A Christmas Nativity pageant is held annually in December at Stinson Beach in Marin County.

MARRIAGE LICENSE
A marriage license was issued this week in Reno to Gerald Potts of Tahoe City and Priscilla Tuttle of Menlo Park.

Sirly per cent of the world's redwood timber is said to stand in Humboldt County.

HUNTERS Attention

We are again closing our range to shooting this deer season as the risk of losing stock is too great.

Please do not ask permission to hunt on the posted area as we are being fair to all hunters and will not allow any hunting on this range during the time it is closed from the morning of Sept. 22 to the morning of October 19, 1951.

We hope you will be as fair with us.

Speed Overhaul Jobs With Homemade Piston Cleaner

If you do your own maintenance on your car, you may be interested in making this little gadget we heard about. It makes the scraping of piston ring grooves fast and easy.

Of course, you won't have to worry about this job if you use New RPM Motor Oil. The first motor oil developed through atomic research, New "RPM," compared with conventional oils, doubles the life of average automobile engines between major overhauls due to lubrication... cuts in half the wear-rate of vital engine parts.

Call us about it. Fine products like this plus faithful service are the mainstays of our local business.

SWANEE'S TAHOE LETTER

PHONE TAHOE CITY 39W
Tahoe City, Sept. 16

Dear Tahoeites,
Dropped in to see the Herb Mattheus the other evening at their Carnelian Bay home and found them just starting an evening of cards with their neighbors, Mr. and

Mrs. Carl F. Zinsmeister, George Reiners and Melvin (Bud) Jones. Learned a lot of changes in the process of making. The Reiners have sold their home at Carnelian Bay to Mr. and Mrs. Jones, who have a 2 1/2 year old daughter, Vicki. They are former residents of Alameda and Jones will take over the job of water maintenance superintendent for the Carnelian Bay, Fulton Estates, Cedar Flat and Agate Bay water companies.

The Reiners are leaving soon for

southern California where they've purchased an orange grove near San Bernardino.

The Zinsmeisters will depart on October 1 for Las Vegas where they have purchased a winter home in Huntridge. They are taking along their speedboat and will enjoy its use during the winter on nearby Lake Mead.

Mattheus and Don Snyder of Lake Forest on Labor Day went to the rescue of the two sons of A. K. Bourne of Round Mountain, south Tahoe, who leaped into the lake when the 32 foot Garwood they were bringing in for winter storage to Tahoe City caught fire off Carnelian Bay. The boat, valued at \$14,000, belongs to their dad. Snyder and Mattheus put the fire out with extinguishers and rescued the boys. Extent of the damage was not learned.

This was the last weekend of vacation for Arthur (Pete) Ables, electrician's mate, fireman first class of the Navy. He's been visiting with his wife at the Tahoe Park home of her parents, the Stanley Boltons, but leaves this time to be gone for an undisclosed period of time. May he have a safe journey and a speedy return home.

Hear my old friends, the Everett Prussos, of San Leandro, were up for a ten-days visit at their Carnelian Bay home, accompanied by son, Donnie, and his friend, Joan O'Brien. Donnie was on a ten-day leave and will report back to our Air Force in Georgia. Good luck, Don, let's hear from you.

Mrs. Al Martin is back home following an operation in a Reno hospital; understand she is recovering satisfactorily. Danell Pomin, 5 1/2 year old daughter of Mr. and Mrs. Robert Pomin of Tahoe City, has been on the sick list. She is up and going to school but will make a trip to Auburn Wednesday with her folks for tests to learn the nature of her ailment. Her friends are all wishing her the best of good luck and a speedy recovery.

Alfred Herman, art director for RKO of Hollywood, spent three days at Pendleton, Oregon, where shots are being made for the new movie, "Cowpoke", with Robert Mitchum as leading man. Herman and his party left Oregon Sunday for Tacoma, Wash., where more scenes will be shot. The rest of the movie will be taken in Hollywood. The Hermans are enthusiastic boosters of Tahoe and own a charming home in the Pineland Tract. They plan to remain here to enjoy the colorful Indian summer weather and may linger until October before returning south.

Due home Tuesday are Mr. and Mrs. A. F. Sanford of Sunnyside, who've been at Jackson Hole, Wyo., enjoying elk hunting. They were accompanied by Mr. and Mrs. John Hodgson of Camino. Latest word via telephone to Tahoe friends tells of both men getting a 500 pound elk a piece, so the Sanford family will not have to worry about the rising cost of beef too much.

A cheery adios to all, as ever, Swanee.

How to make good telephone service even better....

You'll save time if you look up numbers before you call

Have you ever had the feeling that you're not quite sure of a familiar telephone number you're about to call? Even the number of a friend you call quite often? Your memory tells you it's 3198. Or is it 3189? The best way to settle it is to look up numbers before you call. You'll save time—and avoid the delay and embarrassment of having a stranger answer if your memory tricks you into getting an incorrect number.

Faster Long Distance Service

is yours, when you give the operator the out-of-town telephone number you want rather than just the name and address of the party you are calling. You'll not only save your time... but calling by number means better service for everyone, especially now when telephone lines are carrying so many urgent industrial and military calls.

Local Eastern Stars Visit Portola Special Event

Portola Chapter, Order of Eastern Star, honored all officers of the 7th district and other chapters on Friday, September 14. The theme of the party was a night in Hawaii. Leis and floral gifts were presented visiting officers.

Guests from the Truckee Chapter, OES, were Worthy Matron Mildred Burch, Worthy Patron James McIver, Miriam and Stanley Zwarg, Azad Molver, Helen Ellis, Marie Street, Teresa Buddle, Ida Crandall and Edythe Deaton.

G. Gautsche of Sacramento was a weekend guest of Mr. and Mrs. William Gautsche.

Librarian to be Speaker At Meeting Tomorrow

A regular meeting of the Wye Club will be held in the evening tomorrow evening at 8 p.m. with Mrs. Barney Phipps presiding. Mrs. David Rogers will speak on the value of a library to the community. Tea hostesses will be Mesdames W. J. Smisek, J. F. Bays, Donald Sites, Leonard Johnson, J. C. Roberson, L. S. Dumas.

Attend Funeral—
Mr. and Mrs. Robert Moore attended the funeral of his brother-in-law at Oakland Monday. The deceased was killed last week in a logging accident near John Day, Oregon.

Gene Germain Heads School Council Here

The first meeting of the Truckee Elementary Student Council was held at noon Tuesday where the election of officers was followed by a discussion of a set of school rules.

The officers elected were Gene Germain, president; Alice Lander, vice president, and Janice Price, secretary-treasurer. All of the officers are from the sixth grade. The representatives of the other grades are Barry Leamon, second grade; Varlen Frey, third grade president; Elizabeth Smisek, third grade vice president; Cynthia Reynolds, third grade secretary treasurer; Dale Eaton, fourth grade president; Theo Scott, fourth grade vice president; Lydia Craig, fourth grade secretary treasurer; Barry Phipps, fifth grade president; Christine Lander, fifth grade vice president; Tommy Towler, fifth grade secretary treasurer.

The next meeting will be held next Tuesday.

After some suggestions and discussion, the following rules were adopted:

1. Use correct stairways and entrances when entering and leaving school.
2. Go straight home after school.
3. Always return equipment to proper place.
4. Use playground equipment correctly and safely at all times so as to prevent danger and injury to yourself and others.
5. Never throw anything but a ball at anytime.
6. Do not ride bicycles on school grounds.
7. Walk quietly in school hallways.
8. Do not drink at drinking fountains after the last bell rings.
9. Obey your traffic patrol.
10. In good weather stay outside the building before school, at noon and at recess periods.

Tahoe Coffee Shop Looted by Burglars

TAHOE CITY—The Donaldson's Coffee Shop, located at the wye at Tahoe City, was broken into some time early on Monday morning and looted. Mrs. Donaldson declares entrance was made by breaking through the window of a rest room, although the screen door on the back porch was also broken open but entrance could not be made through the locked kitchen door.

Five cartons of cigarettes, five five-pound bags of coffee and a 23 pound ham were taken, as well as an electric deep fryer, the grease contained being poured all over the kitchen floor by the intruders.

The cash register was looted of \$32.40. Constable Harry Johanson of Tahoe City is investigating.
